

# CERTIFICATE

For the device:  
**Love Plasma**

We hereby certify that the company:

**Fliger Wild LTD**  
46 Silver Street  
SP1 2NE Salisbury, Wiltshire, United Kingdom

designs and manufactures Love Plasma in Germany and procures all essential parts from companies included here.

We can, therefore, upon consideration of the original documents, that all currently valid European safety guidelines and regulations are met for the device.

Furthermore, we confirm that the device does not contain any dangerous substances and the company has established a disposal system.

Supplied devices may only be placed on the market until the stated validty date. After this date, the device and its supply chain will be re-evaluated.

The authenticity of the document is only guaranteed if the unmodified document is displayed on our website. Scan the QR code for the certificate check.
